3. Conferences, Congresses, Research activities & Workshops:

- International:

- ÿ Member of Executive Committee of the 2nd Congress of Updates in Hematology & Oncology
Sept. 24-25, 2001
- ÿ Attendance in International workshop on organization of neonatal services in the south-Eastern European and Middle Eastern countries : Marmaris –Turkey May 2010
- ÿ . Attendance in ESPGHAN congress in Italy(Sorrento) May 2011
- ÿ Attendance in Recent Advances in Neonatology congress in Germany, Wurzburg 2-4 Oct 2011 (Poster Presentation with title Congenital Arhinia)
- ÿ Attendance in Surfactant Replacement Therapy Seminar in Portugal,Jun 2012.
- ÿ Attendance in NUTRITION Seminar in Netherland(Amsterdam) , May 2015
- ÿ Attendance in THE 5TH NUTRICIA MESEAA (Middle East, South East Asia & Africa) medical nutrition conference 4th -7th March 2015 Istanbul-Turkey
- ÿ Attendance in International Pediatric Congress 17-22 Aug. 2016 CANADA- VANCOUVER : IPA (Poster Presentation) :Poster presentation in this international Pediatric Congress with title Urinary Uric Acid/Creatinine Ratio as a Marker of Mortality and Unfavorable Outcome in NICU-Admitted Neonates
- ÿ
- ÿ Attendance in Neonatal Ventilator Workshop Dec. 2016 Germany
- ÿ Attendance in ESPGHAN congress in Prague,Czech Republic May 2017
- ÿ Attendance in 8th Recent Advances in Neonatal Medicine in Germany, Wurzburg 8-10 Oct 2017
Two Posters presentation in this neonatal symposium in Wurzburg-Germany with title Relationship between MVP and IVH and Urine uric acid to urine creatinine ratio as a marker of asphyxia

-Local:

- ÿ Taking part in the Screening of Esophageal Cancer Program in Turkmen Sahara in 1993 with the management of Dr. Farrokh Saidi. This project was conducted in 2 different phases as 2 days Pilot Study and 5 days in Turkmen Sahara.
- ÿ Member of Hematology & Oncology Research Center of Tehran Medical Science University under the management of Dr. Ardeshir Ghavamzadeh Feb. 2000 - Oct. 2001
- ÿ Lecturer in the workshop of Family Planning in Tous Hospital in Tehran in Aug. 2001.
- ÿ Presentation of an article as; Causes of Hyperuricemia in obese children & its inter relations to the fatness factors by Dr. Shadab Salehpour & Dr. Shahin Nariman, in the Annual Gathering of Iran Pediatricians Assembly and 26th memorial ceremony of Dr. Mohammad Gharib May 15-19 2004.
- ÿ Oral Presentation of 2 articles as; Neonates Testicles Torsion by Dr. Shahin Nariman & Dr. Ahmad Khalegnezhad Tabari and NAG Urine Analysis & the related factors in the Beta- Thalassemia Major Patients by Dr. Masoumeh Mohkam - Dr. Shahin Nariman - Dr. Shahin Shamsian - Dr. Mohammad Taghi Arzani & Dr. Latif Gachkar, in the Annual Gathering of Iran Pediatricians Assembly and 27th memorial ceremony of Dr. Mohammad Gharib May 2005.
- ÿ Presentation of an article as; Follow up & Treatment of Neonatal Hyperbilirubinemia by Dr. Seyed Hossein Fakhraie & Dr. Shahin Nariman, in the 3rd Children Medical ERs Gathering in March 2006.
- ÿ Oral Presentation of an article as; Neonatal Gastrointestinal ERs, by Dr. Seyed Hossein Fakhraie & Dr. Shahin Nariman, in the 4th Children Medical ERs Gathering in March 2007.
- ÿ Lecturer of INSURE Research Plan in Simorgh Hotel ,Tehran, March 2008.
- ÿ Lecturer of Surfactant Administration Results & the Nasal Continuous Positive Airway Pressure (NCPAP) in 3 different weight categories as £1500, 1501-2500 & > 2500 in the neonates suffered by Respiratory Distress Syndrome in the NICU departments of Mahdieh & Mofid Hospitals in the 3rd Iran Perinatology & Health of the Infants Gathering in the Medical Science Zanjan University in July 2010.
- ÿ Lecture of Late Preterm Neonate Care in the 4rd Iran Perinatology & Health of the Infants Gathering in the Medical center Milad Hospital in July 2011.
- ÿ
- ÿ Member of Scientific committee 2nd Iranian Neonatal Health Congress : IRAN Nov. 2015
- ÿ Member of Scientific committee 3rd Iranian Neonatal Health Congress : IRAN Nov. 2016
- ÿ Member of Scientific committee 4rd Iranian Neonatal Health Congress : IRAN Nov. 2017
- ÿ Speaker and Teacher in many workshops : NRP(Neonatal Resuscitation Program), Breast Feeding , KMC (Kangaroo Mother Care) in University and Private and Governmental Hospitals

ACADEMIC AND EXECUTIVE APPOINTMENTS:

1. Chief Resident in the last year of Pediatric Residency in Tehran Mofid Hospital and Chief Fellow in Fellowship course of neonatology in Tehran Mofid Hospital.
2. Health & Treatment Network Manager in Zarand - Kerman 2005-2006
3. Member of Focal Point in the Neonate Screening Hypothyroidism by the Ministry of Health Nov. 2004-Aug. 2006.
4. Member of Mortality Children & Neonates in Kerman Medical Science University.
5. Head of the Medical Comitee in the Health Care Service Office in Zarand - Kerman 2005-2006.
6. Division of Head NICU Department of Arash Rointan Women Hospital, Tehran University of Medical Sciences from Aug. 2010.
7. Member of Iranian Neonatology Society
8. Pediatric and Neonatology Department ADMINISTRATOR in Atieh Hospital(Private center) from Jan.2013
9. Member of Neonatal Resuscitation Program (NRP) Tehran University of Medical Sciences (TUMS) and certification for new model of training on the basis of Simulation (Canadian curriculum)
10. Full time cooperation with TKJ company branch of Canadian company in IRAN for life

saving medicine (BLES) as medical supervisor and consultant and market improvement

11. **Member of Breast feeding Workshops** Tehran University of Medical Sciences (TUMS) from 2010 up to now
12. **Member of Neonatal mortality and morbidity in Tehran University of Medical Sciences (TUMS) Tehran-Iran**

Editorial and Reviewer of Academic Journals:

1. Editorial Board member, Journal of Comprehensive Pediatrics: 2012-present (comrped.com/33261.pdf)

COMPUTER SKILL:

MS Word, MS Excel, Internet Browsing, Power Point. SPSS

LANGUAGE:

Language	Reading	Listening	Speaking	Writing
Persian	Excellent	Excellent	Excellent	Excellent
English(IELTS 6)	Moderate(5.5)	Moderate(6)	Moderate(7)	Moderate(6)

Awards:

- 1) Memorial from Farabi's Ophthalmology Center affiliated Tehran University of Medical Sciences for retinopathy of prematurity (ROP) prevention and reduce the rate of this disease among preterm newborns admitted in NICU
- 2) Memorial from vice chancellor for remedy of Tehran University of Medical Sciences for effective role in Neonatal Resuscitation Civil Program and neonatal mortality rate (NMR) reduction

Hobbies:

Swimming, Cinema, Internet, Hiking, Charity and Philanthropic activity for poor people and patients
